

Carte Club 4 Vallées - Everything you need to know

This card is linked to your credit card.

The pass is valid for one year from the day of purchase. The cost for a day's skiing is **automatically debited** when you go through a turnstile at the bottom of the lift. No need to queue at the ticket office!

The card is automatically renewed each year on November 1st if the client did not terminate it.

You are entitled to a **10% permanent discount (including weekends and high season)** for both full days and half-days (either from 11:30 am or from 1pm).

Skiing for several consecutive days entitles you to the “guaranteed best price” ([see general conditions](#))

During the season, you can check your usage on your account. A Club Card is linked to a single credit card and only one email address but may include several people.

During the summer, special discounts are available at the ticket offices.

The contribution for one year is as follow:

- 49 CHF per adult
- 42 CHF per young (until 24 years old) and senior (from 64 years old)
- 25 CHF per child (until 15 years old)
